

SENIOR-LED MISSION EXECUTION. OPERATIONAL RISK. CROSS-BORDER DELIVERY.

FAESCOP helps agencies, prime contractors and regulated businesses plan, protect and sustain complex programs across the United States and Latin America.

CORE CAPABILITIES

01 | PROGRAM, PROJECT & CONTRACT MANAGEMENT

Workplans, budgets, schedules, customer coordination, subcontract oversight, performance reporting, deliverables and closeout.

02 | PARTNER-ENABLED FIELD SUPPORT

Requirements, site and logistics coordination, mobilization and oversight for base camps, emergency facilities and mission-support infrastructure.

03 | OPERATIONAL RISK, SECURITY & CONTINUITY

Enterprise and physical risk, vulnerability assessment, security planning, crisis response, emergency preparedness, incident coordination and continuity.

04 | INVESTIGATIONS, COMPLIANCE & PRODUCT PROTECTION

Due diligence, fraud and insider-risk review, contractor compliance, anti-counterfeit support, product and brand protection.

05 | SUPPLY CHAIN, PROCUREMENT & MOBILIZATION

Sourcing and vendor qualification, route and product risk, material movement, inventory visibility, cross-border mobilization and continuity of supply.

06 | GEOSPATIAL, LAND-USE & ENVIRONMENTAL ASSESSMENT

Partner-enabled GIS, site and route screening, environmental and land-use overlays, infrastructure constraints and decision support.

DELIVERY MODEL

FAESCOP DIRECT

Customer interface, principal accountability, program controls, risk, continuity, logistics, cross-border coordination and accountable subcontract management.

QUALIFIED-PARTNER EXECUTION

Engineering, GIS, construction, fabrication, transport, installation, specialized labor and commissioning are delivered through qualified partners within the agreed contract structure.

LEADERSHIP | CURRENT EXECUTIVE VALUE

ROBERT P. FAHY | FOUNDER & MANAGING PRINCIPAL

Robert brings 30+ years across the U.S. Coast Guard, U.S. Government mission support and corporate leadership in enterprise/physical risk, crisis response, investigations, supply chains, product/brand protection and cross-border operations in 77+ countries. An 11-year Coast Guard veteran and maritime law-enforcement boarding officer, he completed criminal-investigations training at Glynco and FBI executive-leadership training. Prior-role results include about \$60M in modeled risk reduction and about 2:1 ROI. Roles included Security Advisor and Regional Security Director for Latin America; Director of North America; Regional Security Director for EMEA; Director of Global Programs extending to Australia, India, Singapore and Russia; and GS-11 mission-support leadership in Colombia.

PATRICK K. FAHY | CHIEF OPERATING OFFICER

Patrick leads financial execution, budgeting, forecasting, performance reporting and cross-functional operations. His prior public-sector experience includes oversight and recommendations affecting budgets up to \$16.3 billion across more than 82 entities and leadership of complementary \$55 million World Bank and \$55 million Inter-American Development Bank programs. He converts strategy into defensible budgets, delivery controls and decision-ready reporting.

REPRESENTATIVE PRINCIPAL EXPERIENCE | PRIOR PROFESSIONAL ROLES

GOVERNMENT & MISSION SUPPORT

Contracts/COR duties, budgets, logistics and joint-service support for U.S. security-assistance and counterdrug programs in Colombia; served as an SME supporting development of Plan Colombia.

CRISIS MANAGEMENT & DUTY OF CARE

Led an Israel-Lebanon conflict evacuation and Category 5 hurricane response at St. George Island; received financial and Abbott World Safety awards. Mitigated kidnapping/extortion and closed cases contributing to apprehensions.

FOOD DEFENSE & PRODUCT PROTECTION

Private-sector SME supporting an FDA food-defense initiative. Linked deaths to counterfeit/adulterated anesthetic, enabling product relaunch and recovery of millions; led global anti-counterfeit programs.
