

OPERATIONAL RESILIENCE | DUTY OF CARE | SUPPLY CHAIN | PRODUCT PROTECTION | FIELD DELIVERY

REDUCE EXPOSURE. PROTECT PEOPLE, SUPPLY AND BRAND. EXECUTE ACROSS BORDERS.

FAESCOP helps companies plan, protect and sustain complex operations through senior-led risk, crisis, supply-chain and program execution support in the United States, Latin America, EMEA and selected global markets.

CORE COMMERCIAL CAPABILITIES**01 | ENTERPRISE & PHYSICAL RISK**

Threat and vulnerability assessment, security planning, enterprise-risk alignment, continuity and decision support.

02 | CRISIS MANAGEMENT & DUTY OF CARE

Preparedness, response plans, traveler and workforce risk, incident coordination, evacuation support and executive briefings.

03 | SUPPLY-CHAIN RESILIENCE & MOBILIZATION

Supplier and route risk, sourcing, vendor qualification, inventory visibility, cross-border movement and continuity of supply.

04 | INVESTIGATIONS, COMPLIANCE & PRODUCT PROTECTION

Due diligence, fraud and insider-risk review, anti-counterfeit support, food defense, product integrity and brand protection.

05 | COMPLEX PROGRAM & FINANCIAL EXECUTION

Workplans, budgets, forecasts, schedules, controls, partner oversight, performance reporting and decision-ready governance.

06 | PARTNER-ENABLED OPERATIONAL FACILITIES

Requirements, logistics, mobilization and partner oversight for crisis facilities, operations centers and workforce housing in oil-and-gas and remote industrial operations.

ENGAGEMENT & DELIVERY MODEL**FAESCOP LEADS**

Client interface, requirements, workplans and budgets, operational risk, site/logistics coordination, mobilization, subcontract management and accountable partner oversight.

QUALIFIED PARTNERS SELF-PERFORM

Licensed or otherwise qualified construction, engineering and fabrication partners self-perform regulated trades, specialized labor, transport, installation and commissioning.

SENIOR LEADERSHIP | GLOBAL OPERATING PERSPECTIVE**ROBERT P. FAHY | FOUNDER & MANAGING PRINCIPAL**

Robert brings 30+ years across the U.S. Coast Guard, U.S. Government mission support and corporate leadership in enterprise and physical risk, crisis management, duty of care, investigations, supply-chain resilience, food defense, product and brand protection, and cross-border operations. His career and operational travel span 77+ countries. An 11-year Coast Guard veteran and former maritime law-enforcement boarding officer, he held roles including Security Advisor and Regional Security Director for Latin America; Director of North America; Regional Security Director for Europe, the Middle East and Africa; and Director of Global Programs with reach to Australia, India, Singapore and Russia.

PATRICK K. FAHY | CHIEF OPERATING OFFICER

Patrick leads financial execution, budgeting, forecasting, performance reporting, planning, process improvement and cross-functional operations. His prior executive record includes oversight and recommendations affecting budgets up to \$16.3 billion across 82+ entities and leadership of complementary \$55 million World Bank and \$55 million Inter-American Development Bank programs. He converts strategy into executable workplans, defensible budgets, delivery controls and decision-ready reporting.

REPRESENTATIVE EXECUTIVE RECORD | PRIOR PROFESSIONAL ROLES**RISK, INVESTIGATIONS & RESILIENCE**

Programs credited with about \$60M in modeled risk reduction and about 2:1 ROI. Mitigated kidnapping/extortion and closed cases contributing to apprehensions.

CRISIS MANAGEMENT & PEOPLE

Led an Israel-Lebanon conflict evacuation and Category 5 hurricane response at St. George Island; received financial and Abbott World Safety awards.

FOOD DEFENSE, PRODUCT & BRAND

FDA-facing food-defense SME. Linked deaths to counterfeit/adulterated anesthetic, enabling product relaunch and recovery of millions; led global anti-counterfeit programs.
